

Community Nursing Service Level Alliance Team

Meeting summary 27th January 2015

The main focus for the meeting was formatting the presentation and workshop for the stakeholder open forums. There are two open forums as follows:

Tauranga: Thursday 5th February 2015, 6.45pm to 8.30pm, BOPDHB Education Centre, 889 Cameron Road

Whakatane: Wednesday 11th February 2015, 6pm to 8pm, Clinical School, Whakatane Hospital

The SLAT is relying on patient/stakeholder input to develop recommendations for improvement and is keen to encourage as many people as possible to attend to help the SLAT shape the future. A patient feedback brochure is being finalised by the communications team for the SLATs consideration.

We also organised site visits to Canterbury, Hawkes Bay, Hamilton and Northland to learn from these models of community nursing. Site visits will be taking place throughout February.

The next meeting of the SLAT is on the 23rd of February 2015.
