

NOTIFIABLE DISEASES

POLICY STATEMENT

It is the Bay of Plenty District Health Board's (BOPDHB) aim that all notifiable diseases, and occasionally other diseases as required by the Ministry of Health (MoH), are notified to the Medical Officer of Health per the below:

1. Any patient presenting with a disease listed on the notifiable disease schedule will be notified to the Medical Officer of Health by the clinician responsible. This responsibility may at times be delegated to the Clinical Nurse Specialists - Infection Control.
2. Notification may be verbal, by fax, e-mail or on a case report form - refer protocol IC.C2.2 Communicable Diseases - Notification Process.
3. Medical staff shall notify the Medical Officer of Health within agreed notification timeframes – refer form FM.I4.1 Infectious Diseases Notification.
4. While direct notification of notifiable diseases is now made from the Laboratory to the Medical Officer of Health, this does not remove the responsibility to notify diseases as detailed above.

PURPOSE

- To ensure that public health control measures are initiated in the community.
- To ensure that national epidemiological data is gathered.

EXCLUSIONS

There are no exclusions.
